Forecast For Northeast England
Issued by Met Office Exeter
at 0400 on Sunday 07 Nov 2021

++ Valid for broadcast between 0600 and 1800

Headline:
Windy today, with upland gales. Widely dry and sunny.

Today:
Mainly dry with prolonged periods of sunshine for most. Cloudier with the chance of a few showers during the morning across the Pennines, but brightening up here by the afternoon. Windy, particularly across upland areas with a risk of gales. Maximum temperature 11 deg C (52 deg F).

Tonight:
A mostly clear and dry night to come. Strong winds easing and becoming rather chilly by morning, giving the chance of a rural frost in a few places. Minimum temperature 2 deg C (36 deg F).

Monday:
Bright and chilly to start, then turning cloudier and a little breezier later. Generally dry, but a chance of rain, mainly in the west from late afternoon or early evening. Maximum temperature 13 deg C (55 deg F).

Outlook for Tuesday to Thursday:
Cloudy and breezy early Tuesday with some rain. Drier and brighter later. Sunny spells and isolated showers Wednesday. Mostly cloudy on Thursday, rain or drizzle at times. Fairly mild.
